Rainbow Garden Playgroup

On behalf of the Cape Byron Rudolf Steiner School

The Rainbow Garden is a Steiner based playgroup for young children, their parents and carers.

The playgroup is located in Bangalow and runs from 10am to Midday each Friday morning during the School term.

Parents, carers and children journey together and experience the changing of the seasons through songs, stories, games and celebrations. We sing, bake wholesome bread and play creatively using handcrafted toys, a dolls corner, craft, a garden and sand play.

We follow a rhythm which supports your young child’s developmental needs, enabling them to both breathe in and breathe out producing a sense of order and calm. Our day begins with a welcoming morning circle and includes the sharing of a healthy morning tea.

You are warmly invited to join us and enjoy, together, the magic of childhood.
